EDCO DIAMOND DRUM WARRANTY

EDCO warrants its PCD Diamond Drums against possible defects in workmanship for one (1) year from the date of purchase. All Brazed PCD Cutters and Cutter Plates are warranted against Insert loss due to braze failure. Determination of the applicability of the warranty will be made after the product is inspected by our Warranty Claims Department.

Any return of goods must have an RMA number which will be sent upon request before materials are returned to EDCO.

The warranty does not cover any drum which EDCO determines to have been used in an improper application, subjected to negligent abuse and misuse, improperly mounted, altered, involved in a non-application accident, or miscellaneously damaged. Any PCD diamond drum covered under this warranty will be repaired or replaced at EDCO's option free of charge. This warranty includes all parts and shipping costs via UPS ground.

Proof of purchase in the form of an invoice showing the date of purchase to be within one (1) year must accompany all warranty claims. EDCO reserves the right to prorate any warranty based upon a percentage of tool life prior to the failure in question.
